Families That Care,
Guiding Good Choices
is a **PREVENTION**
program for parents.
It's a dynamic tool that
helps parents guide their children
through their formative years.

Field-tested and research-based,
the program helps reduce the risk
that your children will become
involved in unhealthy behaviors.

Prevention starts with strong, healthy families!

What you'll learn...

- Encouraging Children to Make Healthy Choices
- Setting Clear Guidelines and Consequences
- Helping Your Children Avoid Trouble
- Managing Family Conflict
- Strengthening Family Bonds
